sister online
proposals aug-dec 2018

Sister Online is an experimental gallery space specifically catered to video, .gif, text-based, photographic and interactive works made for the web. We are happy to collaborate and discuss ideas with any artists wishing to exhibit their work on an online platform.

To propose your exhibition for Sister Online, please send us
-visual support material of the proposed work (photos/screenshots/videos/sketches)
-a 500 word artistic rationale
-a considered outline of technical requirements and support required
-1-2 page CV
-preferred timeframe of project (we can program Sister Online shows to coincide with our IRL exhibitions/events or shorter or longer timeframes)

We provide:
-A four week public exhibition on the Sister website
-Technical support to present the work online
-Electronic invitation design and distribution
-Social media promotion and email-out to mailing list
-Inclusion in the twice-yearly Sister publication
-Work archived on the Sister website

You can view some past Sister Online projects here:
